

Hello Parents,

Re-enrollment has begun, and we will announce open enrollment for the 2018-2019 school year at open house, Thursday, 2/15/17. Our currently enrolled families have first availability, considering we will be capping classes to ensure small classroom numbers, and to allow for adequate help and personalized instruction for our students. We are maxed out in a couple of our classes, so before we give the community the opportunity to enroll, we want to offer a secured spot for your currently enrolled student(s).

The deadline for re-registration is Thursday, 2/15/2018. A new enrollment packet only needs to be filled out if your contact information, or other information has changed. The registration fee of \$350 needs to be paid in order to complete your child's re-registration, and you need to sign, and return this re-enrollment form. (A \$100 late fee will be charged to currently enrolled students who do not complete the re-enrollment by the deadline.) You will need to decide upon the payment plan that you would like to utilize for the upcoming year. All payments will be set up as ACH (Automatic withdrawals).

My student will attend ELA again next school year. I am enclosing my \$350 registration fee.

My student will not attend ELA next year.

I understand that tuition begins June 1st, and is a 12 month cycle of tuition, unless I choose to prepay by semester, or by the year.

\*Students who joined us in January, 2nd semester, will not have to pay another enrollment fee until they have finished the grade they are currently completing. But, we still need to know of your intentions to continue with ELA this upcoming school year, as well as your payment plan of choice. A new enrollment fee will be due when your student is ready to proceed to the next grade level.
