

STUDENT REGISTRATION FORM

Hello and welcome to Excellence in Learning Academy! We are so happy you have chosen to join us for the 2018-2019 school year.

Open enrollment has now begun as of Thursday, February 15, 2018. Please ensure your spot is held today! We will be capping the number of students in each classroom in order to allow for adequate help and personalized instruction of our students.

In order to secure your students spot at Excellence in Learning Academy (ELA) please fill out this form and turn it in to a member of the ELA Administration with your \$350 registration fee. (registration fee will be \$450 after May 30th) At that time, you will be given a new student enrollment packet to complete and return.

We are excited to start the new school year with you as part of our family!
